# AMDA Foundation Futures Program

The AMDA Foundation is pleased to announce an exciting opportunity for residents and fellows interested in long term care practice – the AMDA Foundation Futures Program. Held during Long Term Care Medicine – 2012 (AMDA's annual symposium), this intensive one-day learning experience is designed to expose residents and fellows to the numerous career opportunities available in long-term care.

## Participants selected for this competitive award will receive the following benefits:

- ▶ Admission to the AMDA Foundation Futures Program on March 8, 2012
- ▶ AMDA membership for one year beginning March 2012
- ▶ Registration to Long Term Care Medicine – 2012 from March 8-11, 2012 in San Antonio, TX
- ▶ Opportunity to participate in the AMDA mentoring program

## In addition to the benefits listed above, participants who are granted a full award will also receive the following:

- ▶ Transportation to and from the meeting in accordance with the AMDA Foundation travel policies.
- ▶ Lodging for four nights from March 7-10, 2012 (to be shared with one Futures Program participant.)

*Please note that a very limited number of full awards will be offered.*

## Application Procedure

Applicants will be asked to complete an application and attach a Curriculum Vitae (CV) and letter of interest, of no more than 250 words, describing the applicant's interest in long term care practice and why the applicant feels he or she will benefit from this program. A letter of support from the program director or an AMDA member is also required.

All Futures Award applications must be submitted online; the committee will not review any applications that are not submitted through our website. Applications are available online at [www.amdafoundation.org](http://www.amdafoundation.org).

## Application Deadline

Completed applications, including letters of support, must be received by **November 14, 2011**.

## Eligibility

- PGY II or III Internal Medicine or Family Physician Residents
- PGY IV or V Geriatric Medicine Fellows
- Previous participants are not eligible to apply

## Method of Selection

The AMDA Foundation Futures Program Selection Committee ranks the applicants according to their letter of interest, letter of support, CV, and year of study. Priority will be given to applicants who are the lead author of a poster accepted to Long Term Care Medicine - 2012. Please do not make any travel or hotel arrangements until you are notified of your acceptance.
