The AMDA Foundation Futures Program is waiting for you!

Thinking about a career in long term care?

AMDA Foundation Futures Program

The AMDA Foundation is pleased to announce an exciting opportunity for residents and fellows interested in long term care practice – the AMDA Foundation Futures Program. Held during the Long Term Care Medicine – 2011 (AMDA's Annual Symposium), this intensive one-day learning experience is designed to expose residents and fellows to the numerous career opportunities available in long-term care.

Participants selected for this competitive award will receive the following benefits:

- Admission to the AMDA Foundation Futures Program on March 24, 2011
- Registration to Long Term Care Medicine – 2011 from March 24-27, 2011 in Tampa, FL
- AMDA membership for one year beginning March 2011
- Opportunity to participate in the AMDA mentoring program

In addition to the benefits listed above, participants who are granted a full award will also receive the following:

- Transportation to and from the meeting in accordance with the AMDA Foundation travel policies.
- Lodging for four nights from March 23-27, 2011 (to be shared with one Futures Program participant)

Please note that a very limited number of full awards will be offered.

APPLICATION PROCEDURE

Applicants will be asked to complete an application form and attach a Curriculum Vitae (CV) and letter of interest, of no more than 250 words, describing the applicant's interest in long term care practice and why the applicant feels he or she will benefit from this program. A letter of support from the program director or an AMDA member is also required.

All Futures Award applications must be submitted online; the committee will not review any applications that are not submitted through our website. Applications are available online at www.amdafoundation.org.

Application deadline: Completed applications, including letters of support, must be received by November 15, 2010.
